

VersaVu® Signature 360° Rotating Case for 9.7-inch iPad Pro™, iPad Air 2, and iPad Air®

THZ636US

Overview

The VersaVu Signature 360° Rotating Case is exceptionally crafted with premium materials and brushed metallic accents to complement the design of your 9.7-inch iPad Pro. Plus, it offers the same protection and functionality you’d expect from a Targus tablet case.

Thoughtful features like an integrated loop for your Apple Pencil or stylus (not included) and a locking tab closure make this case as practical as it is functional. The patent-pending, multi-generation tray flexes to also fit earlier models, and you can also use it with any iPad Air. The tray is structurally designed to redirect sound for enhanced audio.
