

15.6” Corporate Traveler Vertical Roller with SafePort® Air Cushion System

CUCT03R

Overview

The Corporate Traveler Vertical Roller is designed to fit notebooks with up to 15.6” screens. The patented SafePort® Air Cushion System protects your notebook from drop damage. The large zip-down workstation provides dedicated storage for your small gadgets, business cards, and office supplies. A separate file section keeps documents organized, while the removable accessory pouch is ideal for stashing a power adapter, cords, or toiletries. The slim, vertical design is compact enough to fit in overhead bins and under the seats of many airline cabins, while the soft-touch two-stage trolley system and large carry handles make it easy to take with you anywhere. Constructed of durable materials, this case is built to withstand the wear and tear of everyday business travel.

Features

- Patented SafePort® Air Cushion System keeps your laptop secure and suspended during severe drops
- Spacious rear compartment can be used for files or as an overnight compartment
- Large workstation delivers dedicated storage for your gadgets and office supplies
- Dedicated, lined tablet compartment protects against scuffs and scratches
- Multiple file dividers keep documents organized
- Streamlined design fits in overhead bins and under seats in many airline cabins
- Large carry handles with soft-touch material makes it comfortable to carry
- Soft-touch, 2-stage trolley system makes for effortless travel
- Lockable zipper pulls keep your device protected (lock not included)
- Vertical, slim design adds versatility
