

15.6" Mobile ViP Checkpoint-Friendly Backpack with SafePort® Sling Drop Protection

PSB862

Overview

The polished details and slim composition of the 15.6" Mobile ViP Backpack make it our sleekest pack yet. It's easy to access all of your gear and gadgets with strategically located pockets, dividers, and compartments, while the patented checkpoint-friendly design helps you fly through airport screenings without removing your laptop.

And, it's made to protect. The SafePort® Sling keeps your laptop secure in case it's dropped, and the weather-resistant base and pocket keep your laptop, tablet, and docs safe from the elements. It has a streamlined design that's finished with leatherette and visible stitching for a tailored, professional look.

Features

- SafePort® Sling protects your laptop in case of drops
- Patented checkpoint-friendly design unzips to lay flat for TSA screening*
- Trolley strap easily attaches to your rolling luggage
- File compartment with convertible floor expands in length to accommodate your larger documents and files
- Weather-resistant base protects contents from the elements
- Extra-large pocket with water-resistant coating stores chargers, toiletries, and more
- Contoured design makes it comfortable to carry
- Water bottle pocket lies flush against the bag when it's not in use
- Sternum straps hide away in pockets when you don't need them
- Soft-lined front stash pocket provides easy access to adapters or sunglasses
- Also fits tablets up to 12" (11.81" x 8.27")
