Sustainable light solutions

- High quality LED light
- Philips offers a 5-year warranty on the LED module and driver
- Warm white light
- Compatible with most dimmers
- Energy saving

# PHILIPS

## Features

### True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

### High quality LED light

The LED light bulb delivered with this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

### 5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

### Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while

those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

### Compatible with most dimmers

This Philips LED light includes the latest LED technology, working with most dimmers. Simply use your current dimmer or any type of dimmer you want!

### Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

### IP65 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP65: it is suitable for use as shower lighting.

### High-quality materials

This lamp is sculpted from layered patterns of high-quality materials with superior finishing. This ensures a solid and long lasting product that will enhance your home for many years to come.
