Everything you need to create

Tackle two-sided printing, borderless photos, and more. Plus, scan and copy right from the easy-to-use touchscreen.

- Make the most of your creative time. It's quick and easy to print, scan, or copy from the 2.2 inch (5.5 cm) display. Simply touch and go.
- Save paper and conserve resources. Easily print on both sides of a page with automatic two-sided printing, and reduce paper consumption by up to half.
- Ensure your projects always look great, no matter what you print. Create borderless, lab-quality photos, laser-quality documents, scrapbook pages and more, right in your own home.
- Rely on this all-in-one to take care of your print jobs, even when you're not there. The auto-deploying output tray keeps printed pages from landing on the floor.
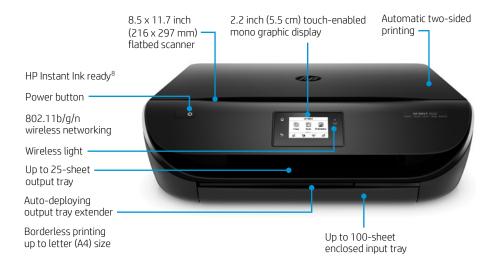

Accomplish more, in less space

This space-saving device fits almost anywhere and works quietly in the background. Get inspired with easy access to an array of printed content.

- This sleek, compact all-in-one is designed to fit where it's convenient. Place it on a desk, on a shelf, or anyplace you need it.
- Use this all-in-one in your living room, a bedroom, or wherever you choose, without disrupting your family's activities. Simply select the optional quiet mode to help keep noise to a minimum.
