

MPN: MPK102

## RJ12/RJ12, M-M, 2m

The MPK102 Modular Straight RJ12 6C/6P 2m cable provides a reliable and clear connection for your telephone or modem. This 2-meter cable, built to European quality standards, utilizes a straight RJ12 connector wired with 6 conductors and 6 positions (6C/6P). Ideal for connecting your telephone handset to the base unit or for modem connections requiring RJ12, this cable ensures a stable and consistent signal. Trust MicroConnect's 20+ years of expertise to deliver a durable and high-performance telephone cable at a fair price, providing you with seamless communication. This cable exemplifies MicroConnect's commitment to providing essential connectivity solutions.
