Marketing

Extended retailer text	Giving a presentation has never been so easy! With the Trust Elcee Wireless Laser Presenter you can focus completely on your story, as all buttons are easy to find by touch. Making sure you have the right supporting visuals at the right time, to deliver your message optimally to your audience. Timer function The Trust Elcee includes a LCD display, which will help you keep track of the time you have left for your presentation and the battery power of the presenter. With the timer function you can even program a silent vibrating alarm, notifying you when you have 5, 1 and 0 minutes left for your presentation. The Trust Elcee is the ideal presenter when your presentation is constrained to a time-window.

Plug & Play wireless receiver

Want to start your presentation? Simply plug the receiver into an USB port and you can start scrolling through your sheets. The wireless receiver allows you to move freely while presenting within a range of 20 meters. When you are finished with your presentation you can easily store the receiver in the presenter. The slim design of the Trust Elcee makes it easy to store or take with you when you need to travel.

Special PowerPoint functions

The Trust Elcee Presenter includes various PowerPoint and slide show functions. You can easily start and stop your presentation with the presenter. It also features a next slide and previous slide button. Besides this you can control the volume with the presenter or easily switch to a black screen.

Red laser pointer

With the red laser pointer you can emphasize important aspects of your presentation. The red laser is clearly visible, even in light surroundings. Ensuring that your audience will clearly see what you are pointing at.
