Highlights

Concentrate

Stay focused with finely tuned bright white light. It can help you get things done quickly and efficiently without distractions, whether you're studying for an exam, working from home or choosing the perfect outfit to look your best

Control it your way

Connect your Philips Hue lights with the bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add switches to your system to activate your lights. Set timers, notifications, alarms and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple Homekit and Google Home to allow you to control your lights with your voice.

Create your ambience

Set the right ambience for any moment and decorate your home with warm to cool white light. Enjoy different styles throughout the year, whether it's the crisp white light reminding you of a spring breeze, the warm white light of a summer sun or the ice cool daylight of winter.

Energise

Skip your morning coffee and get ready for the day with cool, bright white daylight that helps to energise your body and mind. Perfect for those moments when your batteries are running low and you need a kick-start

Hue dimmer switch included

Control your Philips Hue lights without using your smartphone or tablet. With the included

wireless switch, you can turn your lights on/off, switch between 4 pre-set light settings and dim to the right brightness

Installation-free dimming

Experience guaranteed smooth dimming with Philips Hue. Not too bright. Not too dark. Just right. No need for wires, an electrician or installation

Light for your daily routines

Light influences our mood and behaviour. Philips Hue can help you to customise your daily routines into moments that you can enjoy. Skip your morning coffee and get ready for the day with cool, bright-white daylight that helps to energise your body and mind. Stay focused with finely tuned bright-white light. Or put your feet up and relax with a soft glow of white light for the perfect end to the day.
