- Intuitive digital display to get the best performance
- Soft brush integrated into handle, always ready to use

Allergy friendly

- HEPA 13 filter
- s-bag Ultra Long Performance captures even more fine dust

PHILIPS

Highlights

Auto on-off

The intelligent auto on-off feature will automatically turn your vacuum cleaner on when in use and off when it is not

On board accessories

The On board accessories includes : - A crevice tool that fits in tighter spots and works well along the edge of baseboards and in hard-to-reach spots, such as vents. - An upholstery tool that has a small, flat head and powerful suction, this attachment works well on fabric surfaces.

Intuitive digital display

The intuitive digital display shows relevant information, enabling you to get the best performance out of your vacuum cleaner: - 4 cleaning settings - Dust Bag Full Indicator - Auto on-off Indicator

Integrated soft brush

The vacuum cleaner is designed with a soft dusting brush, which is conveniently integrated in the handle of the appliance, always ready to use.

Remote control handle

Thanks to the ergonomic remote control, power settings are right by your hand so you

can easily switch between power settings to match the place and type of floor surface your vacuuming for more efficient cleaning. Another advantage of the remote control is that you don't have to keep reaching for the main unit so cleaning is easier than ever without compromise on maneuverability.

HEPA 13

Captures more than 99,95% of fine dust, including allergens and irritants such as pollen and dust mites. Developed to meet the specific needs of allergy sufferers, and more generally of people demanding a higher level of filtration

ECARF

Certified as Allergy friendly by the European Centre for Allergy Research Foundation.

The exhaust air is purified up to 99,95% of allergens from cat & dog hairs, dust mites or pollen to support an allergy friendly home environment.

5 years warranty

Five years motor warranty When you register your purchase within three months on the Philips website
