Allergy friendly

- s-bag Ultra Long Performance captures even more fine dust
- HEPA 13 filter

PHILIPS

Features

Auto on-off

The intelligent auto on-off feature will automatically turn your vacuum cleaner on when in use and off when it is not

On board accessories

The On board accessories includes : - A crevice tool that fits in tighter spots and works well along the edge of baseboards and in hard-to-reach spots, such as vents. - An upholstery tool that has a small, flat head and powerful suction, this attachment works well on fabric surfaces.

Intuitive digital display

The intuitive digital display shows relevant information, enabling you to get the best performance out of your vacuum cleaner: - 4 cleaning settings - Dust Bag Full Indicator - Auto on-off Indicator

Integrated soft brush

The vacuum cleaner is designed with a soft dusting brush, which is conveniently integrated in the handle of the appliance, always ready to use.

Specifications

Performance

Input power (IEC)	1800 W
Input power (max)	2200 W
Sound power level	80 dB
Suction power (max)	500 W

Usability

Action radius	11 m
Carrying handle	Front
Tube type	Aluminium 2-P telescopic tube
Wheel type	Rubber
Tube coupling	SmartLock
Power control	ErgoGrip remote control

Remote control handle

Thanks to the ergonomic remote control, power settings are right by your hand so you can easily switch between power settings to match the place and type of floor surface your vacuuming for more efficient cleaning. Another advantage of the remote control is that you don't have to keep reaching for the main unit so cleaning is easier than ever without compromise on maneuverability.

HEPA 13

Captures more than 99,95% of fine dust, including allergens and irritants such as pollen and dust mites. Developed to meet the specific needs of allergy sufferers, and more generally of people demanding a higher level of filtration

TriActive LED

The new TriActive LED nozzle reveals hidden dust thanks to its exclusive floorlight technology. Thanks to its unique rubber flap structure the brushless nozzle delivers a tangle-free experience for no hair winding. Thanks to its plane shape it offers a lay flat functionality that helps you reach even more areas.

Digital Dustbag full indicator	Yes
