

Philips PowerPro Active
Bagless vacuum cleaner

Energy efficiency class A

TriActive+ nozzle
Hard floors nozzle
Remote control

FC9534/09

Full performance with PowerCyclone 4

Quick and easy emptying

The new Philips PowerPro Active bagless vacuum cleaner delivers top cleaning performance, thanks to PowerCyclone technology and TriActive+ nozzle, engineered to maximize dust pick-up. The dust container is easy to empty, with no dust cloud.

Remarkable cleaning results

- Energy efficiency class A
- PowerCyclone 4 technology separates dust and air in one go
- New 3-in-1 TriActive+ nozzle picks up coarse and fine dust
- A-class performance on hard floors

Effortless cleaning

- Remote control for no bend, with IR wireless technology
- Advanced dust container design for easy emptying
- ActiveLock couplings to easily adjust to each cleaning task
- Reach all corners thanks to the extra long ergonomic grip
- Soft brush integrated into handle, always ready to use
- Variable power setting

Clean air filter system

- Super Clean Air exhaust filter

PHILIPS

Highlights

Energy efficiency class A

This vacuum cleaner is engineered to achieve full performance with an energy efficiency class A.

PowerCyclone 4 Technology

PowerCyclone 4 technology maximizes airflow and performance by separating dirt from air in one go. It delivers remarkable cleaning results through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber to separate the dust from the air.

TriActive+ nozzle

The TriActive+ nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet

with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It sweeps up the dust and dirt alongside furniture and walls with its two side brushes.

A-class on hard floors

This product achieves the highest cleaning performance class on hard floors. 100% of dust is picked up!

Remote control

With the new remote control feature, you can switch the vacuum cleaner on/off or adjust the suction power settings without returning to the canister and interrupting your cleaning. The control buttons are conveniently located on the handle and the signals are sent to the canister via Infrared wireless technology. For a more comfortable and easier cleaning!

Easy to empty dust container

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

Integrated soft brush

The vacuum cleaner is designed with a soft dusting brush, which is conveniently integrated in the handle of the appliance, always ready to use.

ActiveLock couplings

The ActiveLock couplings allow you to easily connect and disconnect the different nozzles and accessories from the telescopic tube while cleaning.

Specifications

Performance

- Energy efficiency rating: A
- Dust re-emission class: C
- Carpet cleaning class: D
- Hard floor cleaning class: A
- Airflow (max): 27,8 l/s
- Annual energy consumption: 336 kW·h
- Input power (IEC): 750 W
- Sound power level: 78 dB
- Vacuum (max): 16,8 kPa

Usability

- Action radius: 9 m
- Carrying handle: Top and front
- Cord length: 6 m
- Tube type: Metal 2-piece telescopic tube
- Wheel type: Rubber
- Tube coupling: ActiveLock
- Power control: Remote control

Design

- Color: Copper grey

Filtration

- Dust capacity: 1,7 L
- Exhaust filter: Microfilter
- Motor filter: EPA 10 washable filter

Nozzles and accessories

- Accessories included: Crevice tool, Integrated brush
- Accessory storage: On tubeclip
- Additional nozzle: Hard floor nozzle
- Standard nozzle: TriActive+ nozzle

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Dimensions of product (LxWxH): 473 x 304 x 301 mm
- Weight of product: 9 kg
