Highlights

Bright, sparkling light

Clear halogen is a sparkling light, giving beautiful reflections where it shines, and sharp shadows where it doesn't. Philips halogen lamps give decorative light effect to your room, to bring your room to life.

Halogen contrast for focus

With the bright light of these Philips halogen lamps, contrasts get richer, letters become sharper and visibility gets better. Bright light is more relaxing for your eyes for a better focus.

Best dimmability

This Philips lamp can be used in combination with all dimmers and will not only turn down the dim light to 1% but also create a cozy atmosphere as you are used to with your incandescent.

Instant start

Immediate light when switched on: that is the promise of our instant starting energy-saving lamps.

Reliable quality

Philips keeps its promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalent to incandescent lamps.

No hazardous substances

Halogen lamps contain absolutely no hazardous materials, making them safe for any room and convenient to recycle.
