- Always use at a 90 degree angle for the best performance

# PHILIPS

# Highlights

## Ergonomic S-shaped handle

The ergonomic S-shaped handle is easy to steer for maximum control and better reach with natural and precise movements, all over your body.

## Micro ridged ceramic discs

Our epilator head is unique in being made from a rough ceramic material that grabs hair firmly, even fine hairs won't slip from its grip.

## Widest epilation head

Widest epilation head for optimal hair removal in one stroke for long lasting results.

## Patented epilation system

All of our Philips epilators have a unique system where the tweezers lift and gather the lying hair, guide them to the pulling point firmly grabbing and pulling out the hair. Combined with the unique round ceramic discs it epilates closer to the skin for optimal results and more gentleness.

## Wet and dry use

For a gentle and comfortable use during your shower or bath routine with anti slip grip for optimal wet and dry use.

## Opti-light

Unique light ensures you don't miss fine hairs for best epilation results for all body parts.

## Body care heads

Body care heads will bring more personalized and convenient solutions to her individual beauty routine for hair removal and beyond.

## 90 degree angle

The Philips Satinelle will always give you the best performance when used at a 90 degree angle.

## Trimming head and bikini comb

It includes a trimming head and bikini comb to trim and shape delicate areas for more convenience.

## Facial and delicate area cap

For more gentleness in all different body areas it includes a facial area cap which removes unwanted facial hairs and a delicate area cap for hair from underarm and bikini.

## Shaving head and trimming comb

The shaving head and trimming comb provide close shave and more gentleness in different body areas.

## Tweezers

Comes with precision tweezers for removing single hairs.
