

Philips PowerPro Compact
Bagless vacuum cleaner
with PowerCyclone 4
Technology

1400 W
PowerCyclone 4

FC8471/02

Higher suction power* for a better clean

With PowerCyclone 4 Technology

The new Philips PowerPro Compact vacuum cleaner delivers powerful performance without compromises thanks to the PowerCyclone 4 technology and advanced bucket design

Powerful cleaning performance

- PowerCyclone 4 technology separates dust and air in one go

Clean air in your home

- The EPA filter catches microscopic vermin causing allergy

Convenience

- Reach all corners thanks to the extra long ergonomic grip
- Advanced dust container design for easy to emptying

PHILIPS

Highlights

PowerCyclone 4 Technology

PowerCyclone 4 technology maximizes airflow and performance by separating dirt from air in one go. It delivers remarkable cleaning results through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber to separate the dust from the air.

EPA filter system

The pleated EPA filter has a large filter surface and good filtration performance. In combination with the

cyclonic airflow, this prevents it from clogging fast and gives you better and longer-lasting filtration results.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

Easy to empty dust container

The dust container is perfectly designed to dispose of dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

Specifications

Performance

- Airflow (max): 34 l/s
- Input power (IEC): 1400 W
- Sound power level: 83 dB
- Suction power (max): 330 W
- Vacuum (max): 25 kPa

Filtration

- Exhaust filter: Microfilter
- Motor filter: Washable double foam filter
- Dust capacity: 1.5 L

Usability

- Tube type: Fixed 2-piece metal tube
- Carrying handle: Front
- Tube coupling: Conical
- Wheel type: Plastic
- Action radius: 9 m
- Cord length: 6 m

Nozzles and accessories

- Standard nozzle: All-purpose nozzle
- Accessories included: Crevice tool, Small nozzle

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Weight of product: 4.5 kg
- Dimensions of product (LxWxH): 406x285x238 mm

Issue date 2016-05-19
