DESCRIPTION

This well thought out backpack is designed to carry laptops with screens up to 16". It has several accessory pockets including a soft-lined, quick access pocket – perfect for storing sunglasses or smartphone. The Elite backpack has loads of storage and features a well-padded laptop compartment, 3 zippered compartments and a dedicated soft-lined pocket for a 10" tablet. To organize your belongings, the backpack features 2 pen holders, 4 slip pockets and a vertical front pocket – perfect for stashing your keys. Designed for year-round use, the backpack is made from water-resistant material.
