BHB872/00

Vibrant curls and waves that shine

Introducing Glam Shine Curler. Our first curler with ionic care and titanium enriched barrel for gorgeously shiny curls and waves. Unique Curl Ready Indicator helps you create consistent curls all around and protects from overheating.

Ease of use

- Longer barrel for long or thick hair
- Fast heat-up time, ready to use in 45 sec
- Key-lock function to avoid unintentional switching
- Safety stand for ease of use
- Swivel cord to prevent tangled wires
- 1.8 m power cord
- Worldwide voltage for the perfect travel companion

Beautifully styled hair

- Up to 210°C for perfect results
- Ionic care for shiny, frizz-free hair
- Titanium-enriched barrel for perfect results

Less hair damage

- 9 digital temperature settings for absolute control
- Unique Curl Ready Indicator prevents hair overheating

Highlights

Ionic Care

Charged negative ions eliminate static, condition the hair and smooth down the hair cuticles to intensify the hair's shine and glossiness. The result is smooth, frizz-free hair with vibrant shine.

Titanium-enriched barrel

Titanium, used professionally, is valued for its robustness and quick heat transfer, resulting in better styling performance. The barrel is enriched with titanium for perfect results.

Curl Ready Indicator

Unique Curl Ready Indicator lets you know when your curl is ready by giving a "beep" signal. This innovative feature helps you get beautiful curls and waves while helping prevent hair from overheating. You can always style without using this feature if you prefer to time your styling yourself.

Up to 210°C

High temperature enables you to change the shape of your hair and get the curly look you want.

Digital temperature settings

Digital display with 9 temperature settings gives you absolute control to adjust the temperature to your hair type for damage prevention.

Longer barrel

This curler has a long 160 mm barrel, ideal for curling long or thick hair.

Safety stand

The safety stand enables you to put the curler down safely during use

Fast heat-up time

This styler has a fast heat-up time, being ready to use in 45 seconds.

Key-lock function

You are always in control. No more accidental temperature changes with the key-lock function.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

1.8 m cord

Convenient to use thanks to the 1.8-m power cord length.
