

Philips
Bagless vacuum cleaner
with PowerCyclone 6

Parquet+

FC9710/81

Now with 40% higher suction power*

Designed for easy dust disposal

Philips PowerPro Expert bagless vacuum cleaner takes cleaning performance to the next level. PowerCyclone 6 and TriActive nozzle ensure exceptional cleaning results on all floors. Specially designed bucket makes emptying effortless.

Easy dust disposal

- Advanced dust bucket design for easy emptying

Effortless cleaning

- Lightweight design for maneuverability

Exceptional performance

- Ultra slim flexible hard floor nozzle
- PowerCyclone 6 for exceptional dust and air separation
- TriActive nozzle with unique 3-in-1 action

PHILIPS

Specifications

Performance

- Input power (IEC): 1800 W

Design

- Color: Sparkle Blue

Filtration

- Exhaust filter: EPA 12 filter
- Motor filter: Lifetime washable filter

Usability

- Power control: Electronic on appliance

Nozzles and accessories

- Standard nozzle: TriActive nozzle

- Additional nozzle: DiamondFlex nozzle
- Accessories included: Crevice tool, 2-in-1 brush/small nozzle

Weight and dimensions

- Weight of product: 5.5 kg
- Dimensions of product (LxWxH): 505x292x2925 mm
- Dimensions of packaging (LxWxH): 650x330x310 mm

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Highlights

DiamondFlex hard floor nozzle

Ultra slim hard floor nozzle for top maneuverability and reach. Ultra slim design and 180 degree rotation enable easy reach in tight spaces and under furniture. Larger front opening picks up bigger pieces.

Easy to empty dust bucket

The dust container is perfectly designed for effortless dust disposal. Thanks to its unique shape and smooth surface, dust is collected at one side of the bucket and evenly glides into the dust bin.

Lightweight design

Only 5.5 kg lightweight design ensures great maneuverability.

PowerCyclone 6

The aerodynamic design of PowerCyclone 6 minimizes air resistance and ensures exceptional cleaning performance through 3 highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber. 3) At the top of the cyclone, the exit blades effectively cut out the dust from the air.

TriActive nozzle

The TriActive nozzle cleans your floor in 3 ways in one go: 1) A larger opening at the tip of the nozzle easily sucks up big bits. 2) It has maximum cleaning efficiency due to optimized airflow through the nozzle. 3) The two side brushes sweep up the dust and dirt closely alongside furniture and walls.
