

Vostro 15 3000 Series

Productivity meets Versatility.
Feature packed 15.6" Laptop

Performance that drives productivity

The new Vostro 15 3000 Series is a feature-rich 15.6" laptop for small business and professionals who demand solid performance to work through the day with ease and speed.

The Vostro 15 (intel®) is powered by energy efficient 4th and 5th generation Intel® processors with up to Core™ i5 performance, delivering up to 6.5 hours of mobile productivity with a 4-cell battery.¹

For graphics-rich applications and uninterrupted multi-tasking performance, you can take advantage of the built-in discrete graphics from NVIDIA with up to 2GB^{2,3} memory for a performance boost.

Fitted with a textured cover in grey wave pattern, its practical design makes it easy to grip and carry.

Features that help you get more done.

With starting weight at just 2.38kg, the portable Vostro 15 is packed with features to make your work life easier, including a spacious touchpad and a 10-key numeric pad for faster input.

A generous 15.6" display with HD resolution is great for work and movie watching. The anti-glare screen reduces reflection and gives you the clarity you crave in different lighting environments. Relax after work and pop in your favorite movie into the built-in optical drive.

Take your meetings online or chat with friends and family with the built-in HD webcam and Waves MaxxAudio® audio enhancing software. Your customers will be impressed by this video conferencing solution that reduces background noise and boosts audio clarity.

The Vostro 15 is equipped with a VGA output for you to easily connect with projectors or external monitors without having to carry extra accessories.

With up to 1TB⁴ of hard drive space, you don't have to worry about running out space for all your presentations, documents and important data.

Three USB ports and an SD card reader give you the flexibility to quickly access the data you need to maximize your productivity.

Dell service & support. We're here to help.

The Vostro 15 offers a suite of service and support solutions to help minimize your downtime including self-help support that can be conveniently and easily access right from your desktop.

Your investment comes with world-class warranty and Next-Business-Day onsite Service after Remote Diagnosis⁵ to help you get right back to work with minimal downtime.

Choose optional Dell ProSupport for 24x7⁶ direct telephone access to advanced-level technicians based in your region. Whether you have one office or hundreds around the world, protect your investments with this simple yet flexible approach.

My Dell is an easy-to-use support tool that provides advice, alerts you about issues before they happen, and tools to fix them if they arise. You can also access Dell support, warranty information and services to help you save time and reduce hassle.
