HP Pavilion 32 81.28 cm (32") Display

Immerse yourself in life's adventures

Take every moment, memory and movie night to new heights with a massive 81.28 cm (32") diagonal display. The ultra-wide viewing angle and QHD resolution[1] let you transform your content into a big, bold and beautifully immersive experience the whole family can share.

1. Supersize every family memory
- Give your photos and videos a new level of detail with this brilliant 81.28 cm (32") diagonal QHD display[1]. And with its wide-viewing angle, the whole family gets a perfect view.

2. Bringing your world to life
- Experience the creative difference of standard 100% sRGB color space[2] with visuals that pop, and appear just as you saw them in real life.

3. Connectivity made easy
- Connect to all your devices with dual HDMI and Display Port to get big screen visuals without unnecessary adapters. HDMI and Display Port cables included for your convenience.

Featuring
- Brilliant details and captivating definition. Get it all with the unforgettable image quality of a 2560 x 1440 resolution display.
- The ideal balance of wide-angle viewing, and low pixel latency, the MVA panel is perfect for the everyday use you need from your display.
- With the standard 100% Srgb[2] color space, the HP ENVY 32 Media Display provides ideal color reproduction with minimal effort. Perfect for photos, videos—all your creative projects.
- With Display Port, HDMI and USB 2.0 you'll get all the ports you need to easily connect your device for big screen entertainment.

[1] QHD (Quad High Definition) content required to view QHD images.
[2] All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
