

Tefal®

ULTIMATE ANTI-CALC FV9740
Steam iron Ultimate anti-calc
FV9740E0

Long lasting and powerful performance for perfect results

Exclusive removable calc collector for long-lasting steam performance

Tefal's exclusive calc collector captures calc particles, ensures durable steam performance and is very easy to clean.

Ultimate Anti-Calc helps you tackle large quantities of linen in no time with perfect results. It combines great steam power for flawless crease removal with Tefal's exclusive calc collector for long-lasting performance.

PRODUCT BENEFITS

2800W for fast heat-up

High power for fast heat-up and powerful performance.

**2800
WATTS**

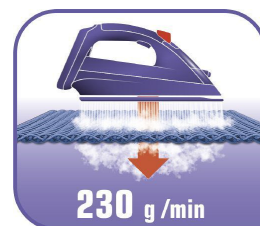

Continuous steam output to ease crease removal

Continuous steam output of up to 55 g/min gives you the ideal constant amount of steam to efficiently remove all creases.

Steam boost up to 230 g/min to remove even the toughest creases

Use the steam boost to remove stubborn creases or to refresh your clothes with vertical steaming.

Durilium® Autoclean Technology soleplate

The Durilium® Technology ensures superior glide for fast and effortless ironing. The Autoclean catalytic coating invented by Tefal helps keep your soleplate without stains and in perfect condition over time.

Anti-drip to keep the linen spotless

The anti-drip function prevents water from dripping and staining your linen while ironing.

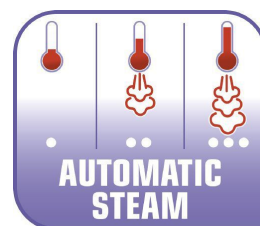

Smart auto-off for extra safety

When accidentally left unattended, the iron automatically turns off. If left on its heel, it will switch off in 8 minutes. If left on the soleplate or on the side, it only takes 30 seconds before the iron shuts off.

Automatic Steam setting: the right steam amount for each garment

With the Automatic Steam function, you don't have to worry about selecting the amount of steam. Just select the temperature for the type of linen you're ironing and the iron will do the rest.

Large watertank for long ironing sessions

Thanks to a 350 ml watertank capacity, you will comfortably go through your long ironing sessions.

Product Repairable for 10 years

- Designed for easy repair
- Low cost fast delivery of spare parts for 10 years
- 6500 repair centers worldwide
