

USB 2.0 A to Micro-B Coiled Cable (M/M), 3 ft. (0.91 m)

MODEL NUMBER: **U050-003-COIL**

Connects high-speed USB 2.0 mobile devices with a USB Micro-B port to your computer, laptop or other compatible USB-A device. Ideal for smartphones, tablets and digital cameras.

Description

The U050-003-COIL USB 2.0 Hi-Speed A to Micro-B Coiled Cable (M/M) connects your computer, laptop or other compatible USB-A device to a high-speed USB Micro-B mobile device. Ideal for charging and syncing smartphones, tablets and digital cameras, this 3-ft. (0.91 m) cable is excellent for multimedia and other high-end applications that require fast, clear transmission free of line noise and other interference. This cable supports data transfer rates up to 480 Mbps for both low- and high-speed devices. The specially coiled cable takes up much less space than a regular 3-ft. (0.91 m) cable. It also resists tangles and knots, making it convenient to store in your car or carry in your purse, backpack or laptop bag. Molded nickel-plated connectors ensure excellent conductivity. Integral strain relief ensures the cable and connectors last a long time. A rugged PVC jacket protects twisted 28 AWG data lines and 24 AWG power lines.

Features

Connect and Power Your Mobile Devices

- Ideal for charging and syncing smartphones, tablets and digital cameras
- Excellent for multimedia and other high-end applications that require fast, clear transmission free of line noise and other interference
- Supports data transfer rates up to 480 Mbps
