

EcoTank ET-3600

DATASHEET

The ideal choice for any busy home or home office, this 3-in-1 inkjet printer can print up to 11,000 pages without the need for cartridges.

The ET-3600 EcoTank printer is the ideal choice for any home office; it's reliable and reduces printing costs by 70% on average¹. This 3-in-1 inkjet with print, copy and scan also boasts double-sided printing, helping to reduce your running costs even further by cutting paper usage in half. It prints up to 11,000 pages both in black and colour², achieving an ultra-low cost per page.

Say goodbye to ink cartridges

The star of the ET-3600 is its newly designed integrated ultra-high-capacity ink tank system, which completely does away with the need for ink cartridges. That means less fuss and much more printing between refills than other inkjet printers. It includes two complete sets of ink, helping you to stay stocked up for longer. They're designed to work together, so it's straightforward and mess free to fill the tank with the bottles.

Ultra-low cost

The ET-3600 saves you 70%¹ in printing costs on average. It achieves an ultra-low cost per page, printing up to 11,000 pages both in black and colour² at just a fraction of a penny per page². Double-sided printing can also cut paper usage in half, reducing your running costs even further.

Wi-Fi and Ethernet connectivity

Equipped with Wi-Fi and Wi-Fi Direct, the ET-3600 can take advantage of all Epson Connect³ features. Send documents to print and scan from smartphones and tablets using the free Epson iPrint³. For added flexibility, you can even email files from anywhere in the world via Epson Email Print³.

Quick, quality results

It uses Epson's own Micro Piezo technology for excellent-quality print-outs. Mono prints are delivered at a rate of 13 pages per minute while it can issue 7.3 colour pages per minute⁴. For printing business documents, the black pigment ink is superb at delivering high-quality text.

1. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.eu/testing
2. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Black: 11,000/Colour: 11,000 pages yield based on two ink bottle sets included with this printer. Black: 6,000/Colour: 6,500 pages yield based on 774/664 ink bottles sold separately. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.
