

Philips Performer Ultimate
Vacuum cleaner with bag

AAA Energy Label

Smart
Allergy+

FC8955

Full performance. For a deep clean.

TriActive LED technology reveals hidden dust.

The innovative Philips Performer Ultimate is our most advanced bag vacuum cleaner.

Optimum performance

- AirflowMax technology for continuous strong suction power
- Auto on-off to deliver suction power only when you need it
- CarpetClean for efficient cleaning on soft floors
- TriActive LED for deep cleaning results
- AAA Energy Label
- Made in Europe

Advanced deep cleaning

- Intuitive digital display to get the best performance
- On board accessories for quick and thorough cleaning
- ErgoGrip remote control handle with built-in control buttons
- Soft brush integrated into handle, always ready to use

Allergy friendly

- Allergy filter retains >99.9% of particles, ECARF certified
- s-bag Ultra Long Performance captures even more fine dust

PHILIPS

Highlights

AirflowMax technology

The unique AirflowMax technology keeps the suction power strong for long to use the bag to the very end. The technology is built around the optimization of three key elements: 1) Unique ribs profile inside the dust chamber to maximize airflow around the dustbag and enable the use of the entire bag surface. 2) Specially designed dust chamber capacity that allows the dustbag to fully unfold uniformly. 3) High quality, non-clogging fiber dustbag that absorbs dust without blocking the pores, thus avoiding reduction in suction power.

TriActive LED

The new TriActive LED nozzle reveals hidden dust thanks to its exclusive floorlight technology. Thanks to its unique rubber flap structure the brushless nozzle delivers a tangle-free experience for no hair winding. Thanks to its plane shape it offers a lay flat functionality that helps you reach even more areas.

CarpetClean

The CarpetClean is ideal for deep clean, this nozzle is suitable for the toughest carpet clean and delivers high dust pick up on soft floors.

Auto on-off

The intelligent auto on-off feature will automatically turn your vacuum cleaner on when in use and off when it is not.

Remote control handle

Thanks to the ergonomic remote control, power settings are right by your hand so you can easily switch between power settings to match the place and type of floor surface your vacuuming for more efficient cleaning. Another

advantage of the remote control is that you don't have to keep reaching for the main unit so cleaning is easier than ever without compromise on maneuverability.

On board accessories

The On board accessories includes : - A crevice tool that fits in tighter spots and works well along the edge of baseboards and in hard-to-reach spots, such as vents. - An upholstery tool that has a small, flat head and powerful suction, this attachment works well on fabric surfaces.

ECARF

Certified as Allergy friendly by the European Centre for Allergy Research Foundation.

The exhaust air is purified up to 99,95% of allergens from cat & dog hairs, dust mites or pollen to support an allergy friendly home environment.

Specifications

Performance

- Energy efficiency rating: A
- Dust re-emission class: A
- Carpet cleaning class: B
- Hard floor cleaning class: A
- Airflow (max): 35 l/s
- Annual energy consumption: 26.5 kW h
- Input power (IEC): 650 W
- Input power (max): 750 W
- Sound power level: 74 dB
- Suction power (max): 220 W
- Vacuum (max): 15 kPa

Usability

- Action radius: 11 m
- Carrying handle: Front
- Tube type: Aluminium 2-P telescopic tube
- Wheel type: Rubber
- Tube coupling: SmartLock
- Power control: ErgoGrip remote control
- Digital Dustbag full indicator

Design

- Color: Silver titanium

Filtration

- Dust bag type: s-bag Ultra Long Performance
- Dust capacity: 4 L
- Exhaust filter: Allergy filter

Nozzles and accessories

- Accessories included: Crevice tool, Integrated brush, Small brush
- Additional nozzle: Carpet Clean
- Extra accessories: ErgoGrip remote control
- Standard nozzle: TriActive LED nozzle

Sustainability

- Packaging: > 75% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Dimensions of product (LxWxH):
280x300x475 mm
- Weight of product: 6.2 kg
