- 1.8 m cord for maximum flexibility
- Universal voltage

PHILIPS

Highlights

Wide plates

These extra wide straightening plates have been designed specifically for thick or long hair. The increased plate width can straighten more hair in one go and will help to reduce the time taken.

Ion Conditioning

Ion Conditioning for shiny, frizz free hair

210°C professional high heat

This high temperature enables you change the shape of your hair and gives you that perfect look like you've just come from the salon.

Ceramic coating

The smooth ceramic coated plates prevent damage to your hair during styling.

Instant heat up

The straightener has a fast heat up time, being ready to use in 60 seconds

1.8 m cord

1.8 m cord for maximum flexibility
