Vacuum Cleaner

ZB3114AK

The new Ergorapido® Lithium range comes with the Lithium TurboPower battery across all our high performance cordless vacuums. That means more power for longer, longer battery lifetime and less weight in your hands.

Product Benefits

2 in 1 with pop-up handheld unit

Design to cater for variety of cleaning jobs with the cordless convinience.

Brush Roll Clean™ Technology

Simply press the Brush Roll Clean pedal for a few seconds then you will get your brush roll free from tangled hairs and fibers.

180° Maneuverability

The 180-degree swivel nozzle head and ergonomic lightweight design allows you to discover every corner.

Self Standing

Take a break whenever you want to as the Ergorapido can stand upright by itself.

High Performance Lithium Turbopower

High Performance Lithium Turbopower battery for optimal cleaning performance and longer run time.
