# Highlights

## Dimmable (US)

With a dimmable warm glow effect, the difference is clear. The gradual dimming feature enables lights to dim to warm tones similar to traditional bulbs.

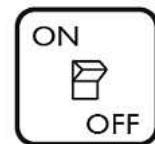

## Long life (LED US)

With a lifetime of up to 25,000 hours, you can reduce the hassle of frequently replacing your light bulbs. Philips LED bulbs enable the perfect lighting solution for 22+ years.\*

## Energy saving

Enjoy the energy-savings of LEDs without sacrificing light quality

## Instant on

INSTANT ON

Just by flipping the switch, your room is at full brightness. No slow starting or waiting.

## Application

Ideal for any room in your home.

## Gentle LEDs, easy on the eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get the glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambience for your home.
