

HP UC Wireless Mono Headset

Essential audio on the go

Join a meeting on the go, in the office or on the road with the lightweight, discrete, and comfortable HP UC Wireless Mono Headset and get crystal-clear sound and noise cancelling for your conferencing and calls.^{1,2}

Connect the way you want

Pair the headset to your PC through a micro-USB dongle, to your mobile device through Bluetooth® or tap to establish communication with NFC. You can use it with your PC and phone at the same time, and have up to eight active pairings as you move between devices.

Simple to use

Answer calls at the touch of a button, without being physically tethered to your device. At the end of the day, store the headset in the handy included pouch.

Ready to collaborate

Enjoy compatibility with your familiar collaboration software. The headset is certified with Skype for Business® and can be used with other UC applications and softphones.

World-class support

Get the reassurance of a one-year limited warranty.

¹ Listening to personal stereo equipment at full volume for long periods can damage the user's hearing. To reduce the risk of hearing damage, lower the volume and amount of time listening at full volume.

² Internet connection and voice service required and sold separately.
