QUICK START

Align the clip on the back of the tire with the launcher. Twist the tire onto the launcher twice until it quietly clicks into place.

Once the tire is connected to the launcher, twist the tire about three more times until you hear a loud "CLICK" sound.

Aim the launcher at the ground in front of you in an open area.

Press the release button on the launcher and watch the twister race off!

CAUTION:

- Do not launch tire directly at people or pets.
- Do not attempt to load anything other than the tire in the launcher.
- Should tire get dirty, wipe with a damp cloth and dry thoroughly before using or storing.
- Use indoors only.
- Do not use the tire in the street, anywhere there is vehicular traffic, or in heavily traveled pedestrian areas.
- Do not stand on, sit on or throw the tire as doing so can result in injury to the person and irreversible damage to the unit.
- Keep long hair and loose apparel such as shoestrings away from the launcher and the tire when in motion.
