

Latitude 13 Education Series (3350)

Inspire hands-on exploration

Encourage learning with this purpose-built, affordable 13-inch laptop with best-in-class durability designed to meet the needs of any K-12 student computing program.

With an anti-glare display or optional touch display, full-size keyboard and 180-degree hinge, encourage student productivity, creativity and anywhere, anytime learning.

And the Latitude 13 is unmatched in durability. A Dell-exclusive fully sealed keyboard and touch pad provides best-in-class protection against spills while the rubberized LCD trim protects against accidental drops. Additionally, touch displays are clad with Corning® Gorilla® Glass scratch resistance.

It's also well-equipped for an interactive learning environment. With powerful accessories designed and tested for the Latitude 13, students and teachers can connect, share and collaborate in or out of the classroom.

And, backed by 24/7 access to expert hardware and software support with optional Dell ProSupport™ Plus, we've got you covered, all the time.
