¹Each Care Pack comes with a specific number of cartridges for the 3 year term. The number of cartridges for each Care Pack is based on an average estimate of printed pages per month not to exceed the recommended page volumes for the printer. For example: an OJ Pro 8730 with a monthly page volume of 750 per month the associated Care Pack would come with 30 cartridges. Actual cartridge yield varies considerably based on content of printed pages and other factors. For details see hp.com/go/learnaboutesupplies.
