

Sandberg Bluetooth 2in1 Audio Link

Use your favourite headset wirelessly on your smartphone or on another Bluetooth device. Place your headset in the audio jack in this clever adapter, and connect it wirelessly to the desired device via Bluetooth. Particularly useful for devices without built-in audio jack, such as the Apple iPhone 7. The adapter has a built-in battery, which is charged by USB.

Northern Reviewer says:

"For such a basic device that doesn't really do much other than make earphones wireless, the Sandberg Bluetooth Audio Link is nothing but brilliant."
