FUJITSU Tablet STYLISTIC R726

Unlimited Usability and Productivity with 2 in 1

Fujitsu recommends Windows.

The FUJITSU Tablet STYLISTIC® R726 with a 31.8 cm (12.5-inch) anti-glare display transforms into a full performance and full productivity notebook by simply attaching the slim Magnetic Keyboard. Its magnesium-aluminum housing delivers durability for business pros on the move, presenting in tablet mode or working in notebook mode on a plane, a train or anywhere else. You can use a digital pen to take notes or even signatures on the tablet. Security features like encrypted drives and NFC-based authentication allow you to do your job wherever you want; all in confidence that your data is secure.

Notes
1. One Gigabyte equals one billion bytes, when referring to hard disk drive capacity. Accessible capacity may vary, also depending on used software. Up to 20 GB of HDD space is reserved for system recovery Internal storage interface: M.2 SATA.
2. Battery life tested using MobileMark 2014, Windows® 10 operating system, utilizing the optional SSD drive, and may include audio muted and power saving utility enabled.. Battery life will vary depending on the product configuration, product model, application loaded on the product, power management settings on the product, Operating System, and the product features used by the customer. As with all batteries, the maximum capacity of the installed batteries will decrease with time, usage, and how often the batteries are charged by the user.
3. Service and warranty turnaround time may vary by country and product. The International warranty is only valid for products purchased in North, Central, and South America.
