Coax Cable 1.5m White Angled

The Coax Cable 1.5m White Angled (COAX015WA) is a high-quality coaxial cable designed for reliable signal transmission. This 1.5-meter cable features an angled connector, making it ideal for connecting devices in tight spaces or behind furniture where a straight connector might be awkward. Finished in a clean white color, this cable seamlessly blends into most home or office environments. MicroConnect delivers premium quality at fair prices, and this coaxial cable is no exception, ensuring a secure and stable connection for your TV, satellite receiver, or other coaxial-compatible devices. Trust MicroConnect's 20+ years of expertise for your connectivity needs.
