

# HP LD5511 139 cm (55") Large Format Display

**The perfect large-screen collaboration companion.**

Collaborate and conference in eye-popping style with the HP LD5511 139 cm (55") Large Format Display, which transforms your meeting room into a world-class conference center and delivers exceptional clarity and brilliant colors.

#### **Fantastic front of screen**

- View content from virtually any corner with the 139 cm (55") diagonal Full HD screen and 178° viewing angles. High brightness and contrast ratio provide excellent picture quality and readability that's perfect for meeting rooms that seat up to 12.

#### **Create a complete conferencing solution.**

- Pair with an HP Elite Slice for Meeting Rooms, HP Collaboration PC with Intel® Unite™ software or HP Chromebox<sup>1</sup> and interact seamlessly with co-workers or clients on an extra-large display that has integrated speakers for crystal clear audio.

#### **Designed for the long haul.**

- Rest assured with a display that has commercial-grade display components and is ready to run in demanding environments. Best of all, it's supported by a three-year standard limited warranty and optional HP Care services.<sup>2</sup>

#### **Featuring**

- Quickly connect to your video source with HDMI, DVI or VGA. Wirelessly adjust the brightness or audio volume with the included remote control.
- Customize your view with flexible VESA-enabled mounting options. Position the display on a wall<sup>3</sup> or use a stationary stand or mobile cart.<sup>4</sup>
- Use the included HP Network Sign Manager software to remotely control all of your networked meeting room displays.<sup>5</sup> Issue commands, set On/Off times, control brightness and most other OSD commands, and lock the power button and OSD controls.
- Combine the display with an HP Elite Slice for Meeting Rooms<sup>4</sup> for one-touch controls, Skype for Business<sup>®6</sup>, and Intel® Unite™ wireless sharing.
