Ariete presents "cordless Evo2in1", the new cordless electric vacuum cleaner which reaches every corner of the house without effort. Modern and stylish lines, the new vacuum cleaner has a dual function: it is ideal for cleaning carpets and floors, and for cleaning corners and crevices, fabrics and most difficult surfaces to reach thanks to the powerful built-in handheld vacuum cleaner and accessories supplied. The cordless, practical and versatile Evo2in1 with removable tank, has a turbo rotating brush that makes it very efficient against dust or any kind of residue. The product has a cyclonic technology that maximizes its suction power and the filters life. The cordless Evo2in1 stands alone and the washable hypoallergenic HEPA filter retains even the finest dust: cleanliness is guaranteed: Cleaning is guaranteed!
