"Evo 2 in 1" is a bagless electric broom, with wire, featured by modern and elegant lines with double function: ideal for cleaning carpets and floors, and for cleaning crevices, fabrics and surfaces difficult to reach thanks to powerful built-in MiniVac and standard accessories, i.e. a crevice nozzle and a brush for fabrics. Evo2in1, practical, versatile and with removable and washable tank, is featured by a cyclone technology which maximizes the filters suction power and life. The cord storage is integrated, it stands alone and the HEPA filter retains even the finest dust: cleanliness is guaranteed!
