# Highlights

### Step 1: Deep pore cleansing

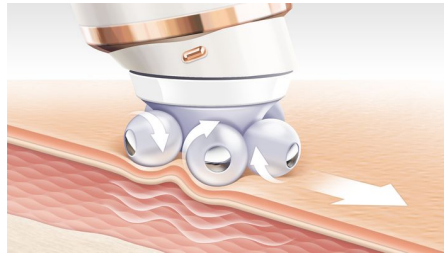

Cleaning dirt and sebum from your pores can help brighten and revitalize skin; it's also a great blackhead treatment. The Deep Pore Facial Cleansing Brush head contains 20,000 ultra-thin bristles, smaller than your pores, which reach deep inside the pores to clean thoroughly. The Deep Pore Brush helps to reduce the visibility of pores. Immediate results shown in 9 out of 10 of women.

### Step 2: Precision cleansing

Precision Cleanse especially in hard to reach areas! The Precision Cleansing Brush is uniquely designed to cleanse the nose and chin area (A-zone) where pores appear enlarged. It helps to clean your face from impurities in areas that other brush heads might miss and where your hands are not effective enough. It's also a great brush for those who want to reduce the appearance of blackheads.

### Step 3: Revitalizing Massage

The Revitalizing Massage head delivers a revitalizing and relaxing massage that reaches the deeper layers of the skin. Thereby it relaxes the small facial muscles and gives you a revitalizing experience and a healthy-looking glow. It does what hands cannot do. It feels like 750 gentle finger tapping movements per minute. The Revitalizing massage head has been developed with a Japanese facial massage expert and is inspired by worldwide renowned massage techniques.

### Customized DualMotion

VisaPure Advanced is equipped with Customized DualMotion technology. Each head that comes with VisaPure will have specified levels of rotation and vibration. Both the handle and the new attachments are equipped with an innovative NFC tag that enables the advanced Intelligent Head Recognition. This means that the handle immediately recognizes the specific head once

put on. In this way, you can enjoy dedicated programs of Customized DualMotion technology for different skincare benefits.

### Deep Pore Brush Bristles

The deep pore brush comes with a unique combination of bristles of thicker and thinner bristles. The thin bristles reach the pores and cleanse them well, while the thicker bristles
