

Sonic electric toothbrush

HX9882

Custom Care system

4 ways of customized cleaning in one product

No two people are the same - especially when it comes to oral care. So why not use a power toothbrush that can adapt to your different needs and still deliver superior results.

Benefits

2 brush head sizes and 2 cleaning speeds

- Standard for a complete clean, compact for precision clean
- Thorough everyday clean, massages and stimulates gums

Superior cleaning technology

- Dynamic fluid action reaches deep between teeth
- Removes plaque in hard to reach areas
- Healthier gums

- Clinically proven safe and gentle

Customizable cleaning

- Easy-start to acclimate to the Sonicare experience
- Quadpacer 30-second interval timer encourages even brushing

Features

Healthier gums

Clinically proven to reduce gingivitis and help shrink periodontal pockets.

PHILIPS

Safe and gentle

Your Philips Sonicare Electric Toothbrush is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.
