- Fast heat up time, ready to use in 60 seconds
- Universal voltage
- Closing lock to close the handle for easy and safe storage
- Swivel cord to prevent tangled wires
- 1.8 m power cord
- 2 years of worldwide guarantee

PHILIPS

Features

Wide plates

The 40% wider plates* enable a better contact with the hair and help you achieve perfect straightening results in less time.

Ionic Care

Give your hair an instant care with ionic conditioning. Charged negative ions eliminate static, condition the hair and smooth down the hair cuticles to intensify the hair's shine and glossiness. The result is hair that is beautifully shiny, smooth and frizz-free.

210°C professional temperature

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

Instant heat up

The straightener has a fast heat up time, being ready to use in 60 seconds

Universal voltage

Worldwide voltage for getting the perfect travel companion

Handle closing lock

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

1.8 m cord

2 years guarantee

2 years of worldwide guarantee.

Ceramic coating

The smooth ceramic coated plates prevent damage to your hair during styling.
