

MPN: PROMJ1.5

## 3.5mm Cable Male to Male, 1.5m, Black

Audio cables with 100% aluminium foil shielding. This cable works well under complicated working conditions.

Its increased flexibility ensures a small bending radius, and the gold plated connectors and high-quality construction ensure a long service life.

- 99,9% Copper conductor
- High flexibility
- High quality
- Robust connectors
- Gold connectors
- Double shielding

### Specifications

|                    |                            |                          |
|--------------------|----------------------------|--------------------------|
| Features           | AWG wire size              | 24                       |
|                    | Cable length               | 1.5 m                    |
|                    | Cable material             | Tinned copper            |
|                    | Connector 1                | 3.5mm                    |
|                    | Connector 1 form factor    | Straight                 |
|                    | Connector 1 gender         | Male                     |
|                    | Connector 2                | 3.5mm                    |
|                    | Connector 2 form factor    | Straight                 |
|                    | Connector 2 gender         | Male                     |
|                    | Connector contacts plating | Gold                     |
|                    | Jacket material            | Polyvinyl chloride (PVC) |
|                    | Plug and Play              | Yes                      |
|                    | Product colour             | Black                    |
|                    | RoHS compliance            | Yes                      |
| Packaging data     | Cable diameter             | 5 mm                     |
|                    | Quantity per pack          | 1 pc(s)                  |
| Vendor information | Brand Name                 | Vivolink                 |
|                    | Warranty                   | 99 Year(s)               |
