- Built to last, this shaver comes with a full 2 year warranty

PHILIPS

Features

Contour Detect Technology

Follow every contour of your face and neck with 8-directional ContourDetect technology. You'll catch 20% more hairs* in a single pass, resulting in an extremely close, smooth shave.

V-Track Precision Blades

The V-Track Precision Blades collect hair in the optimal cutting position, resulting in a more comfortable shave that's 30% closer*. The blades also self-sharpen to ensure a premium shave day after day.

Shave Wet or Dry

Choose how you prefer to shave. Shave in the shower. Or use with water, foam, or gel for refreshing, comfortable shave.

3-level battery indicator

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3-level battery indicator - cleaning indicator - battery low indicator - replacement head indicator - travel lock indicator.

Super Lift & Cut Action

Shave closer with the dual-blade Super Lift & Cut Action. The first blade raises each hair while the second blade comfortably cuts below skin level, for exceptionally smooth results.

SmartClick Beard Styler

5 built-in length settings for trimming stubble to a short beard. Rounded tips and comb are designed to prevent skin irritation.

50 shaving minutes

A powerful lithium-ion battery gives you more shaves per charge. Charge it for an hour for up to 50 minutes of shaving time. Charge it for 5 minutes and you'll have enough power for one shave.

Travel case

The sleek design of the shaver storage case takes up less space and a built-in ventilation chamber dries your shaver even when you're on the go.

Full 2 Year Warranty

Philips backs this shaver with a 2-year guarantee. Our Series 9000 Shavers are designed for performance and durability, promising you an extremely close shave time after time.
