

CCAM720TVI

720P TVI CCTV Camera

The Conceptronic 720P CCTV Camera is a high-quality surveillance device which conforms to weatherproof standard IP66 and is capable of operating in temperatures from -40°C to 60°C, making it an ideal choice for home surveillance networks. Built-in infrared (IR) supports night monitoring for distances up to 20 metres, providing crystal-clear images at any time, under any light conditions. In addition, an IR correction feature avoids shifts of focus in both visible and infrared ranges, ensuring clear vision twenty-four hours a day. The quality cameras also offer full-screen, high resolution recording and playback. The 720P CCTV Camera is a great accessory for use with the Conceptronic CCTV Surveillance Kit, providing everything you need for safe, secure surveillance of your home or business for the utmost in peace-of-mind.

Highlights

- > 1/3" CMOS, 720P
