Latitude 3000 Series (3x60/3x70)

Performance you can rely on.

Ideal for professionals on-the-go who want a secure, easily managed and reliable laptop with strong performance and everyday productivity.

Lighter than the previous generation and equipped with enhanced security options, the new Latitude 3000 Series is available with 5th or 6th generation Intel® Core™ processors and offers the essential features of a business-class laptop.

The Latitude 3000 Series is available in a 14-inch or 15.6-inch screen size with a HD or Full HD anti-glare display or an optional HD touch screen. It's also well-equipped with accessories designed and tested to keep end users productive anywhere.

And IT will value the security, manageability and outstanding reliability of Latitude, including 24/7 access to support with optional Dell ProSupport Plus.
