- Convert a printer or other device with parallel protocol into USB protocol
- Plug and play no drivers required
- Reversible, symmetrical USB-C connector
- Gold plated USB TYPE C connector
- 3 Year Warranty

Specifications: USB-C to DB25 Parallel Adapter Cable

Electrical Specifications:

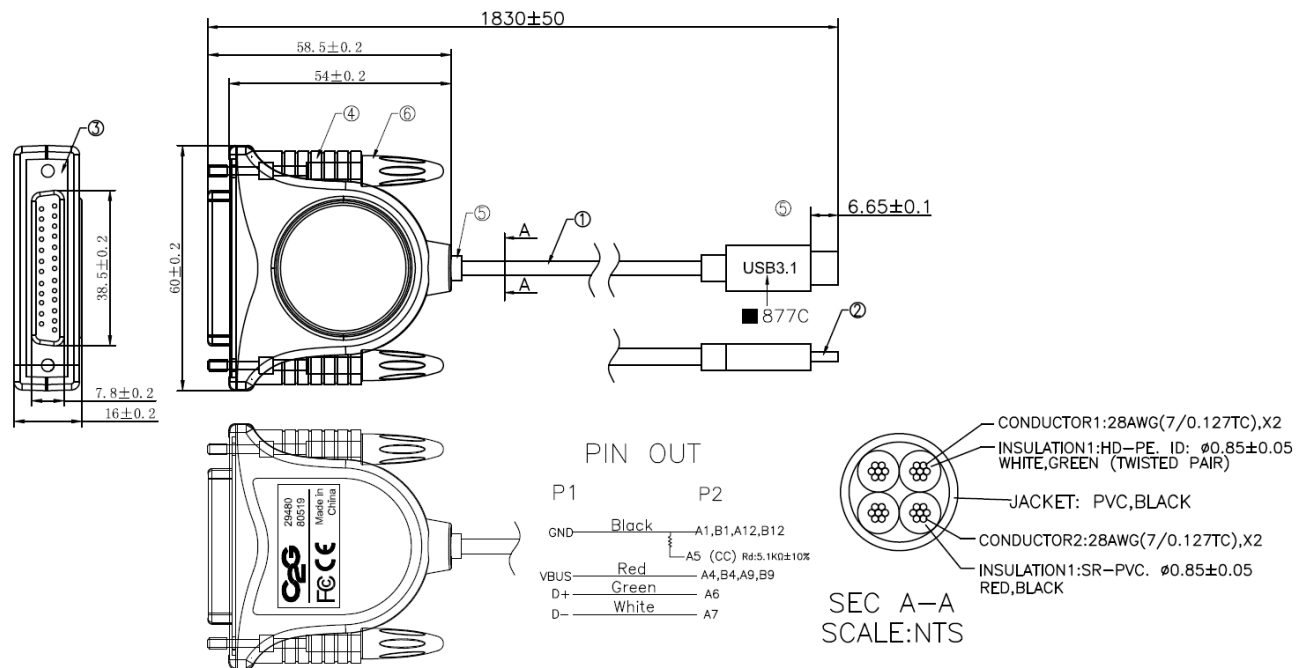

Voltage Rating:	30V
Insulation Resistance:	10MΩ
Conductor Resistance:	3Ω

Physical Specifications:

Operating Temperature:	-10°C to 50°C
Storage Temperature:	-10°C to 60°C
Jacket:	PVC
Outer Diameter:	3.5mm ± 0.10mm

Conductor 1: (4 Conductors)

Conductor:	28AWG (7/0.127TC) Conductor
Insulation:	SR-PVC, ID:0.85±0.05mm Insulation
Colour:	Red/White/Green/Black

Part Number	Description	Weight (lbs)
80519	USB-C to DB25 Parallel Adapter Cable	0.160
