## ASUS Chromebook Flip C302

### Simple, Powerful, Flippable

Flexible mobility for work and play

The slim, light and incredibly stylish Chromebook Flip C302 combines the simplicity of Chrome OS with powerful components and an amazing 360° hinge that lets you flip instantly between a high-performance Chromebook, a handy Chrome OS tablet, or anything in between. Combined with a full-HD (FHD) touch screen, 10 hours of battery life\*, an all-metal body, a backlit keyboard, a large touchpad, and future-proof USB-C port, the Chromebook Flip C302 is a powerful tool with almost limitless possibilities.

### Mobile Computing

Made for those who are on the go

**Flip into any task** – The unique 360° hinge lets you use ASUS Chromebook Flip C302 in an endless variety of ways, including laptop, tablet, stand and tent modes. The C302 lets you communicate, share, work and play the way you want all on one device.

**Sleek and light** – The professional grade metal body stands up to anything and weighs just 2.65 lbs so it can easily be taken on the go helping you stay productive.

**Anywhere, online and offline** – Play, work and watch with the C302, whether you are connected to the internet or not. That means you can keep up with your work or enjoy your favorite entertainment wherever you go.

**10-hour battery life\*** – The power-efficient C302 is designed to last for up to an incredible 10 hours\* on a single charge. Just open the C302 and get right to work without the wait time and count on the long battery life to keep you powered the whole day.

### Simple, Secure and Reliable

Full productivity and security with Chrome OS

**Rock-solid security with Chrome** – With its automatic updates and built-in antivirus protection, Chrome OS frees you from the worry of keeping your Chromebook safe, secure and always up to date.

**Share the C302 without sharing your stuff** – Many people can share one Chromebook with individual experience. Your preferences, files, and bookmarks stay with you, even when you borrow another, replace yours with a new one or share with a friend.

**Simplicity comes standard** – Chromebooks are easy to set up and easy to use – sign in to your Google account and you're done. You can store files or go online with Google Drive, and best of all the Google apps you enjoy are built in, so you can get straight to it.

### Designed to Do More

Intuitive features offer better user experience

**FHD Flip Touchscreen** – Enjoy the added benefits a rich full-HD flip display coupled with an intuitive touch screen that allows for the full enjoyment of applications, web browsing, and overall computer experience.

**Wide view panel** – With a 12.5-inch wide viewing-angle panel it is perfect for sharing the screen contents with a group of people, in any mode.

**Extreme typing comfort** – The full-size one-piece chiclet backlit keyboard with an improved back-assembly provides 1.4mm of key travel and minimal key float; the extra-spacious touchpad allows easy control of multi-finger gestures; the multi-touch display guarantees a smooth Chrome OS experience.

**High quality speaker with larger chamber size** – C302 can generate up to 80dB of high-fidelity audio, delivering surround sound with crisp and powerful audio to give you an immersive experience for both music and video streaming.

**Get connected** – The ASUS Chromebook Flip C302 features 802.11ac dual band Wi-Fi and power-efficient Bluetooth® 4.0. The Chromebook also comes with two USB-C ports and a micro SD card slot.

\*Battery life tested using a mixed office productivity, browsing & multimedia playback load. Performance may vary according to usage and environmental conditions.

## Just flip for any task

The unique 360° hinge lets you use Chromebook Flip C302 any way you want, just flip for the best angle
