- Dell Printer Configuration Web Tool
- Low maintenance with high-yield toner and multiple media and drawer options
- Convenient toner installation using drop-in cartridge design

Easy to own

- Convenient toner ordering and delivery with Dell Toner Management System™
- Award-winning Dell service and support
- One-stop shopping and support with Dell printers, systems and networking

Dell Printer Configuration Web Tool

Designed for easy installation, configuration and management of Dell network printers and consumables, this web-based tool can be set up to provide automatic e-mail notifications of printer, consumables and paper-handling alerts.

- Can be accessed using a standard web browser
- Doesn't require additional software installation
- Resides on printer hardware

The **Dell Workgroup Laser Printer W5300n** offers exceptionally fast printing speed of up to 45 pages per minute, bringing powerful, high-volume monochrome printing with a low total cost of ownership to large workgroups.

This printer delivers quick processing time with a 500 MHz processor, standard 80 MB memory (336 MB max.) and a maximum duty cycle of 225,000 pages per month. You also get a high-yield 18,000-page toner cartridge with optional ultra-high-yield 27,000-page toner cartridge for low cost per page. With crisp 1200 x 1200-dpi resolution and flexible media options, the W5300n can produce professional documents on a variety of media. Printing private and confidential documents can also be done securely with the Dell Workgroup Laser Printer W5300n.

What's more, you enjoy easy setup and installation through USB and 10/100BaseT Ethernet ports. Configuration and management of your W5300n network printer are also simple with the Dell Printer Configuration Web Tool. Finally, the Dell Toner Management System monitors toner levels proactively and notifies you before you run out.

The Dell Workgroup Laser Printer W5300n delivers:

Outstanding performance

- Fast printing, up to 45 ppm
- Sharp print quality, 1200 x 1200 dpi

Dell Workgroup Laser Printer W5300n

DELL TONER MANAGEMENT SYSTEM™ IS AS EASY AS 1-2-3

1. Intelligent software alerts you when toner levels are low. Specify the recipient of the alert using the Dell Printer Configuration Web Tool.
2. Click "Order Toner Online" to visit Dell online.
3. Select printer model, enter your payment information and your toner is ordered. Save time and money with delivery at no extra charge.

SERVICE AND SUPPORT

One year of Next-Business-Day On-site Service¹ provided by Dell's award-winning service and support staff

- Same-Day On-site Service¹, Installation, Asset Tags and Printer Gold Technical Phone Support options are also available
- You can use the Dell Online Support site for the most up-to-date drivers and technical information about your printer

RECYCLING MADE SIMPLE

Recycling printers and toner with Dell – good for your pocket and good for the environment too

- Each new Dell printer includes full instructions on how to dispose of your old printer quickly safely and at no charge using an approved recycling facility
- 'Use and Return' toner cartridges are available for the W5300n laser printer.
- The 'Use and Return' programme is a toner cartridge discount programme that avoids the hassle of traditional rebates. Use and Return cartridges provide an up-front discount in exchange for your agreement to use the cartridge only once and to return the empty cartridge only to Dell for recycling. 'Standard' toner cartridges are available if you wish to utilise other recycling options. Use & Return saves you money on a new, top-quality product while helping keep materials out of landfill sites. Dell provides packaging and postage-paid labels for returning empty cartridges for recycling.
