- Dell Toner Management System™ provides early warning of low toner level

Easy to own

- Convenient toner ordering and delivery
- Industry-leading Dell service and support
- Single point of accountability

Dell Laser Printer 1710 and 1710n

The Dell Laser Printer 1710 delivers workgroup printer performance in a compact, robust and space-saving design. The 1710 is ideal for home and small offices requiring fast, durable and efficient monochrome laser printing; the networked 1710n model offers very cost-effective built-in networking for sharing the printer within a workgroup.

Both models offer fast monochrome printing of up to 26 A4 pages per minute (ppm) with a crisp print resolution of up to 1200 x 1200 dots per inch (dpi). High-capacity toner cartridges and up to 800 sheets' A4 paper capacity mean you can handle high-volume print runs with ease. The 1710 and 1710n are also well-equipped to handle printing on letterheads, envelopes, card and transparencies, thanks to their flexible multi-purpose manual feed tray.

If you're looking for an affordable printing solution that offers a low total cost of ownership, the convenience of Dell's Toner Management System and easy-to-purchase consumables, and a one-year service warranty (upgradable to four years) backed by a global brand name, the Dell Laser Printer 1710 and 1710n are hard to beat.

The Dell Laser Printer 1710 and 1710n deliver:

Outstanding performance

- Fast monochrome printing – up to 26 A4 pages per minute
- Crisp text and enhanced graphics with true 1200 x 1200 dots-per-inch (dpi) resolution
- Expandable memory to allow fast printing of high-quality complex documents – up to 160 MB for the 1710n (144 MB for the 1710)
- Affordable networking (1710n) allows sharing the printer with multiple users on a local area network (LAN)

Affordability and efficiency

- Excellent price/performance – highly affordable networked version (1710n)
- Infrequent toner cartridge replacements with standard or high-yield toner cartridges
- Up to 15,000-pages-per-month duty cycle
- Low total cost of ownership to fit your print budget

Ease of use

- Quick and easy setup and installation – pre-loaded printer drivers when purchased with a Dell system: just connect the printer and start printing

- Flexible media options – standard 250 sheet covered paper drawer and manual feed tray for thicker paper, card stock or envelopes, optional 550 sheet paper drawer allowing maximum 800 sheet input capacity
- Cancel print button – save paper and toner by cancelling unwanted print jobs
- Compatible with a wide range of operating systems

Ease of ownership

- Small footprint for space-critical environments
- Dell Toner Management System and on-printer LED tell you when toner is low
- Dell Printer Web Tool™ (1710n only) allows printer status and toner level to be checked over the network – email alerts can be sent to named recipients, notifying them of printer status and toner levels
- Order toner online with Dell – delivery included at no additional cost

Quality service and support

- Standard service is 12 months' Next Business Day onsite
- Extended Service upgrades available to cover up to 5 years

Exceptional performance. Easy as
