Easy to own

- Convenient ink ordering and delivery
- Industry-leading Dell service and support
- Single point of accountability

Dell All-In-One Printer 810

With the **Dell All-In-One Printer 810**, every home and small office can enjoy great value and performance in a convenient all-in-one copier, scanner and printer. The exceptionally compact, space saving 810 prints up to 13 A4 pages per minute (ppm) in black or colour for fast, affordable productivity and offers scanning and copying at the touch of a button.

The 810 printer comes with Dell Picture Studio software for editing and printing photos and up to 4800 x 1200 dpi print resolution to ensure great results with borderless printing on photos up to A4. The flat-bed scanner allows you to scan images directly into Dell Picture Studio for quick editing with great accuracy and colour and the standalone copier ensures quick and easy copying without even having to turn your computer on. The 810 also gives you the capability to print on a variety of media and creates impressive looking documents across a range of material from professional looking photos to brochures, posters and greeting cards.

The 810 is designed and tested to work with your Dell systems. It also uses the Dell Ink Management System, which monitors printer ink levels proactively and notifies you before you run out of ink. The single tri-colour cartridge is the only cartridge you need to print quality output in both colour and in black, making replacement quick and easy. The 810 comes with Dell's industry-recognised service and support, including one-year Next-Business-Day Exchange Service¹.

The Dell All-In-One Printer 810 delivers:

Excellent performance

- Print, scan and copy in one easy to use product
- Print up to 13 A4 ppm black or colour (Actual print speeds will vary with use)
- Stand alone colour photocopying allows quick and easy copying without having to turn your computer on
- 4800 x 1200 dpi colour photo-quality resolution for impressive colour documents and great photos
- With a 100 sheet input tray, there's no need to fill the tray for every print job
- 48 bit colour scanner with up to 600 x 1200 dpi (19200ppi enhanced) output for great quality reproductions

Easy to use

- Plug-and-play compatibility for easy installation
- Includes Dell Picture Studio™ software for editing and printing photos
- 3 colour single cartridge
(Cyan/Magenta/Yellow; combines to print Black)

Easy management

- Sleek, compact, space saving design takes up little room on your desk or work area
- Connect easily through the USB port

Dell All-In-One Printer 810

NEVER RUN OUT OF INK AGAIN!

The Dell Ink Management System™ monitors ink levels, notifies you before you run out of ink and gives you a direct link to Dell online for easy ordering.

SERVICE AND SUPPORT

- One year of Next-Business-Day Exchange Service¹ is standard and provides you with a replacement printer on the next business day, limiting potential downtime
- You can use the Dell Online Support site for the most up-to-date drivers and technical information about your printer

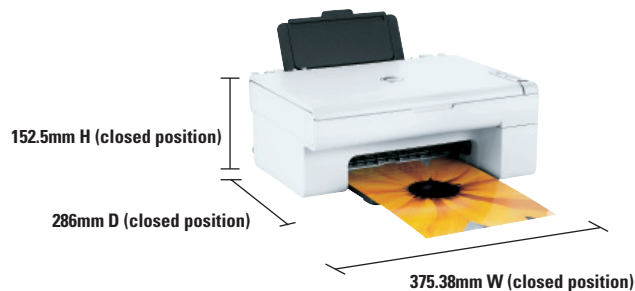

RECYCLING MADE SIMPLE

Recycling printers with Dell is easy, safe and no charge to the customer. Visit www.dell.com/recycling for details.

- Each Dell printer includes instructions for returning an old printer for recycling
- Dell pays shipping charges for printer recycling
- Cartridge recycling now available in most Western European countries
