Cleans where others can't reach

- 5.8 cm ultra slim design to clean under low furniture

Convenient and easy to use

- One button operation
- Easy to empty dust bucket

PHILIPS

Highlights

2-step cleaning system

Side brushes and a vacuum remove dirt and dust from your floors. The exhaust filter traps fine dust and particles. It captures dirt and dust.

air. This keeps dust securely within the container, preventing secondary contamination.

4 cleaning modes

Depending on the type of the room, the Robotic Vacuum cleaner will follow one or several cleaning modes: Z-type cleaning, spiral, bounce or wall-following cleaning patterns.

Smart Detection System 2

Philips SmartPro Easy is equipped with the Smart Detection System 2, a combination of smart chips, up to 23 sensors and accelerometer, that makes the robot efficient to clean on its own. The Robot understands the environment and chooses an optimal cleaning strategy to clean your home as quickly as possible. The robot does not get jammed and returns to its docking station when necessary.

5.8 cm ultra slim design

Philips robot vacuum cleaner has a very compact and slim design that allows it to clean under very low spaces.

High suction power

Compact but strong - your Philips robot vacuum cleaner has 600 Pa of suction power, so it can clean efficiently with the power you need to get rid of dust and dirt, fast.

Scheduling function

Philips SmartPro Easy offers a 24 hour scheduling function, so you can program your next cleaning session 24 hours in advance.

Ultra Hygiene EPA12 filter

Ultra Hygiene EPA12 filter captures 99.5% of fine dust particles while filtering the exhaust

One button operation

Just turn it ON and it will immediately start cleaning your floors. It is very easy to use.

Specifications

Performance

- Battery type: Li-Ion
- Battery voltage: 14.8 V
- Charging time: 4 hour(s)
- Runtime: 105 minute(s)
- Sensors: 23 sensors
- Suction Power (Max Pa): 600

Usability

- 24-hour scheduling
- Cleaning modes: 4
- Types of Floors: Carpet, Hardfloor

Design

- Color: Dark Royal Blue

Filtration

- Dust capacity: 0.4 L
- Exhaust filter: EPA 12 filter

Nozzles and accessories

- Accessories included: AC power adaptor, Charging base, Side brushes, Exhaust filter, Remote control

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Dimensions of product (LxWxH): 300x300x58.5 mm
- Weight of product: 2 kg

Issue date 2017-03-15

Version: 6.1.1
