

OptiPlex 22 3000 Series All-in-One (3240)

Clutter-free computing.

OptiPlex 22 3000 Series All-in-One (3240) is Dell's first entry-level commercial all-in-one in the 22" category, featuring a Wide Viewing Angle FullHD display and tool-less design for easy serviceability and upgrading.

Available with up to 6th Gen Intel® Core™ i5 Processors, Intel® Integrated graphics, and Dell Client Command Suite tools for time-saving systems management, OptiPlex 22 3000 Series All-in-One provides excellent value at an entry-level price.

Enhance these features with purpose-built Dell accessories such as a matching monitor for a seamless multi-display environment, as well as multiple stand options for height adjustment, tilt and swivel or articulation. Plus, all components are backed by outstanding 24x7 ProSupport Plus.

1. Offering may vary by region. Some items may be available post-RTS. For complete details, refer to the Technical Guidebook published on dell.com.

2. System Memory and Graphics: Significant system memory may be used to support graphics, depending on system memory size and other factors.

3. 4GB or Greater System Memory Capability: A 64-bit operating system is required to support 4GB or more of system memory.

4. Hard Drive: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

5. TPM is available in selected regions.

6. Computrace: Not a Dell offer. Certain conditions apply. For full details, see terms and conditions at www.lojackforlaptops.com.

7. Please refer to www.epeat.net for specific country registration rating and participation.

8. Limited Hardware Warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.

9. Onsite Service after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.

10. Dell Services: Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicesdescriptions.
